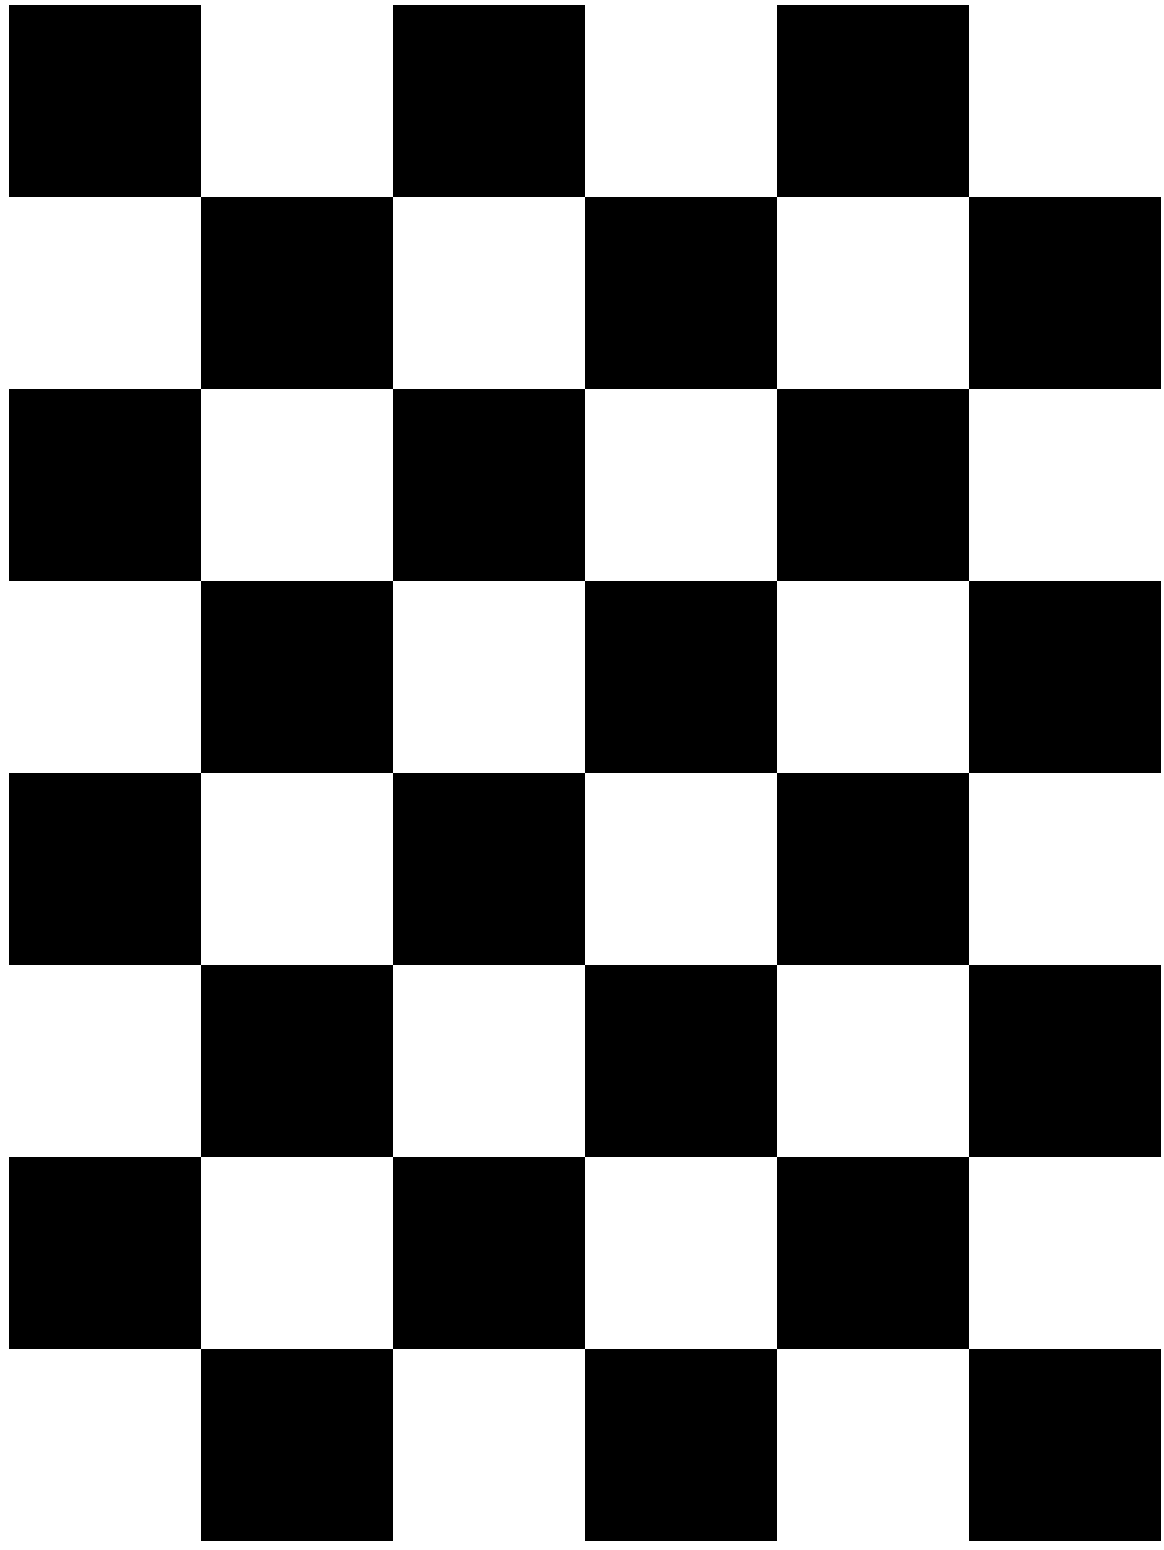
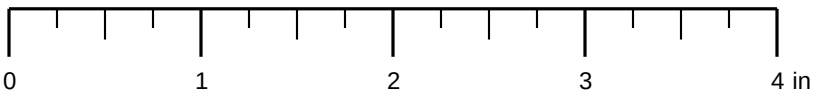
WALL EDGE

this edge of the sheet touches the base of the wall

Lay this sheet flat on the ground with this edge touching the wall.

Keep it flat and uncreased. Weigh the corners down if windy.





Print at 100% / Actual size

No fit-to-page scaling. Check:
ruler = exactly 4 in,
each square = exactly 1 in.

EmberScan scale marker - 6 x 8 squares of 1 in
